

Message from the Sovereign Patriarch Zosima to all faithful of the Tsarist Empire.

Decisions of the Tsar's Zemsky Council of Triune Rus'.

Through the prayers of our All-glorious and Wondrous Lady Theotokos and all the Saints, Lord Jesus Christ, our God, have mercy on us. Glory to the Father and to the Son and to the Holy Spirit, always now and ever. and forever. Amen. God bless us.

Christ is Risen, brothers and sisters. Now it is time for us, by the Command of our Lord Jesus Christ, revealed to me, a sinner, to publicly declare in front of the antichrist authorities that **all faithful of the Tsarist Empire are not involved** in the dark deeds of their rulers on the ground. In the near future, all the people of Holy Triune Rus' **will be divided** into those who will continue to believe and obey the **judaizing rulers**, and those who, in the coming difficult trials, will find the covering and protection of our Lord in unity with the Anointed of God, in His **Tsar's Empire**.

On the imminent threshold of **the great miracle of the Resurrection of our Reverend Father Seraphim of Sarov the Wonderworker**, we must, from the voice of the entire land of Holy Triune Rus', **restore** the foundation of the Tsar's, monarchical statehood.

Many times in former times, Holy Rus' was tormented by severe unrest and enemy invasions. To resolve issues vital for our people, such as the election of the Tsar's Dynasty, the entry of the state into the war or exit from it, our ancestors always resorted **to convening the Zemsky Council**. Thus, the reason for convening the Zemsky Council in 1613 was the polish **catholic seizure and occupation** of Russian lands.

Our current situation, brothers and sisters, is **thousands of times worse**. Because those who call themselves the official authorities: **presidents and all their associates**, they are all **judaizing murderers of Christ our God, openly participating in jewish rituals**. Soon the Lord will send to all those who are participants in the affairs and obedient servants of the judaizing authorities **all the punishment and plagues** described in the Holy Revelation of John the Theologian.

For I tell you, our Lord and God, Glorified in the Holy Trinity, **Came to Liberate** the people of Holy Triune Rus' from the **yoke of the jews**. Just like the King and Prophet of Israel, Moses, the Lord commanded **to snatch the people of God from the power of wicked rulers**, sending **many plagues** to those who

resisted this. Just as then, the entire burden of God's curse was borne not only by **the wicked rulers themselves, but also by the entire people** they led, from the boss to the commoner. So now everyone who wishes to continue to voluntarily remain in captivity of the judaizing authorities will suffer. Those same people who express in their hearts a desire to join the Tsarist Empire headed by the Anointed One of God will resort to the Protection of the Great and Glorious Lady our Mother of God.

In order for the people of Triune Rus' **to have the opportunity to openly express their will**, I have a Command from our Lord to inform you, brothers and sisters, of my recent decision in unanimous agreement with the Council of Bishops of the Russian Orthodox Church of the Tsarist Empire. About the decision to hold the Tsar's Zemsky Council, which I previously spoke openly to you in my sermon, calling on you to become participants in this Council, and naming what important issues will be considered at the Council.

These questions are fundamental and have both spiritual and earthly significance, they directly relate to the life and death of people. There are three questions:

1. To accept this **Tsar's Zemsky Council** of Triune Rus' as **the legitimate supreme authority of the Anointed of God**. As our Pious Tsars commanded us in the person of the First Anointed Russian, the **Holy Tsar John the Terrible**, who gathered the first Zemsky Council in Russia in 1549 in difficult times.
2. To **recognize the absolute Monarchy as the only legitimate state system** for all the peoples of the Triune Rus' – **the Tsarist Empire**. For even according to the unholy laws of the current authorities **it is the Monarchy** that remains the only legally legitimate authority for all parts of Rus' of Imperial times.

On behalf of the Council, we call on all people who care about their Spiritual Salvation to unite in the face of the antichrist power, accepting the citizenship of the legitimate **Sovereign Patriarch Zosima**. The Russian Orthodox Church of the Tsarist Empire, in the unanimous consent of the subsequent **Local Council, crowned the Russian Kingdom** on July 4, 2022, according to the old style.

3. **To prohibit, on behalf of the entire Council, the fratricidal war among the Russian people of Triune Rus'**, now unleashed by judaizing propaganda. Call on all believers **to stand up for the defense of the true Russian Orthodox Church of the Tsarist Empire**, which has preserved all the Holy Canons, under the omophorion of our Sovereign Patriarch Zosima. If the Oath requires us to give our lives for Jesus Christ our God, but let us not allow any of the wicked, brethren, to touch our Shrine. For which the Russian people will truly be called the **God-Bearing People**, who know their Great Calling.

The currently **completed** Tsar's Zemsky Council lasted for three days, from June 18 to 21, 2023, old style, and while it was being held, the participants of the Council from **many regions throughout Triune Rus'** made a **unanimous positive decision on all three of the above issues**. **The final document of the Council**, containing decisions and a full list of participants, **will be public**, with God's Blessing, in the near future.

Therefore, everything that the Council determined has **exclusive legal force**. The Tsar's Power given by God is now **Conciliarly restored as the only legitimate one in the entire Triune Rus'**.

Therefore, brothers and sisters, we all need in the very near future, before the Resurrection of St. Seraphim of Sarov, **to urgently complete** all matters with the antichrist system and **get rid of all documents** received from the wicked authorities, so as **not to suffer the entire unenviable fate determined by them** from the Lord. I want to warn you, brothers and sisters, if anyone in conscience has the opportunity to get rid of the documents now, but does not get rid of them, such a person will receive retribution for his wickedness from the Righteous Judge Christ our God.
