

The word of the Sovereign Zosima about the temptation from the enemy of the human race.

## For when we see, then salvation is not far away.

*«I will destroy the wisdom of the wise, and the discernment of the discerning I will thwart.»  
(1 Cor. 1:19)*

*«God chose what is foolish in the world to shame the wise; God chose what is weak in the world to shame the strong; God chose what is low and despised in the world, things that are not, to reduce to nothing things that are, so that no one might boast in the presence of God..  
(1 Cor. 1:27-29)*

God bless me!

Christ is risen, my dear friends!

Today I would like to talk about the temptation from the enemy of the human race! For when we see, then salvation is not far away! Let us recall the denunciation of Jesus Christ addressed to the pharisees about blindness and about the sign confirming blindness and temptation in a person. This is an obvious denial of spiritual blindness itself with obvious and many facts proving the opposite. As one elder said: "How could you, child, prove that you have pride, if not by denying it?" Denial of admitting guilt and spiritual conviction is a sign of pride and blindness. This is contrary to humility, which God loves and hates self-justification.

In approaching this sermon on the delusion of people, I intentionally revealed how God-loving people behave when confronted with obvious facts, and, contrary to humility, rejected by God, so that everyone could determine themselves before the Judgment of Christ and no longer wear a mask of hypocrisy! Saint Ignatius Brianchaninov says: "Every person is in delusion." That is, the enemy has deceived everyone and the person accepts the false for the truth, and I think no one will argue with this. But there is deception in personal sins, and there is in church sins - this is called heresy (an incorrect understanding of church teaching: Holy Scripture, prophecies, or a distortion of the dogmas of the Church, and so on). Not all people are in these latter church sins, but it is precisely this church delusion in heresy that is the most terrible for people. For heresy is blasphemy against the Holy Spirit, which is not forgiven by God if people do not repent here! Therefore, pitying people, today I wish to talk about church errors. Help me, Lord.

Why does God often choose the weak to shame the strong? Why does He choose the unwise to shame the wise of this age? I think there are several reasons. The first is that the works of God may be revealed more clearly. For when people are convinced that this person is weak and suddenly see the power emanating from him, then they will clearly understand that this is the work of God. For such power could not come from this weak one, and from the simple, if they see wisdom, then here too they will recognize that this wisdom is from God, and so on. The Lord also allows His chosen ones to be in contempt and humiliation from people, as, for example, in the prophecies of St. Leo the Wise about the Last King it is said that people will despise him, consider him "good for nothing," but it is on him that the Lord will lay His hand! But why does God need this?

I think, in order to humble everyone: both the Chosen One and people. God knows that it is easier to accept, say, advice or reproof from a worthy person than from a despised

one. Therefore, the Lord, Who loves simplicity, modesty and humility, allows His truth to be taught intentionally through the weak, often despised, simple, unwise, so that people who have heard the truth could accept it only for the sake of God, and not out of respect for the worthy. Do you understand? For if the truth of Christ was given through one in power, then people would accept it for the sake of power, and not for the sake of a sincere feeling for God, and so on. And so, when God gathers through humility those who have heard the truth only for the sake of Christ, then the Lord shows power through the Chosen One, and makes his heart glad and comforts the faithful, and saves others through fear. So says the Apostle James.

I think we can now begin to expose the errors of the Church. When Christ came to teach the people about God, He was not taught this knowledge by the Church authorities. He came, as if from outside, to teach the clergy. So the Last King must come, for it is said that he will be taught everything by God, and not by the Church authorities. Therefore, I will tell you what God has revealed through the Holy Spirit, visiting my heart.

The saints said that in recent times, if someone comes to you and speaks of God, but does not first speak of the antichrist, then do not accept him and do not listen to him! But why? Because if a person does not spiritually see the danger from the son of perdition, then such a person does not know anything about Orthodoxy, that is, he is in deception, in delusion! And the holy Apostle John the Theologian says that blessed is he who reads and fulfills the lines of the Scripture of the New Testament in Revelation. Therefore, you and I will turn our gaze to the Holy Scripture in order to understand where exactly we are deceived.

Believers think that the antichrist will rule for only three and a half years. This is a delusion! The holy interpreter of the Revelation of John the Theologian, Victorinus of Petavius, says that Elijah the Prophet first anticipates the "kingdom" of the antichrist, and in another place he speaks of the anticipated, that is, already established "kingdom", but not having received all the power, for the beast will receive full power over the world after the murder of Elijah and Enoch. And the elder Anatoly of Kiev says that not a single region will hide from the antichrist, and that he will rule for many years!

Secondly, to think that the antichrist will come to Jerusalem to rule and will reside there is also delusion! For Saints Pelagia, Ignatius Brianchaninov, and Christopher of Tula clearly say that the beast will be chosen and will rule in Russia. Saint Christopher says that "after Yeltsin there will be a ruler who will confuse everyone." Saint Paisius the Holy Mountaineer and other saints openly declared to everyone that the jews rule in Russia. And people give an oath of allegiance to this jew who will confuse everyone through imaginary citizenship. To whom? To the Christ-killer. And the official church prays together with him and takes out particles for him and puts them in the Chalice. The prophecy of Elder Jerome of Sanaksar has come true, that in the Chalice of the moscow "patriarchate" they will partake of the blood of the antichrist. At the same time, all people think that they are Orthodox and faithful to God! This is not just delusion, but also madness! The Lord says in the Holy Gospel: "Many will say to me in that day: "Lord! Lord!" But the Lord will answer: "Depart from Me, for truly I do not know you!"

This charm is also confirmed by many Saints and Spirit-bearing Elders, who clearly said that the documents in Russia are satanic, with jewish symbols, and if a person accepts

them, then Holy Baptism is violated! That is why the Lord sends Elijah the Prophet and Enoch to seal the believers, that is, to finish Christening and anoint them, because of the oath to the jews the Holy Spirit departed from people! And it is for this that God sends Elijah - to prepare the way for the Lord, for the main thing for Christ is the Church! Not understanding this, people are in the delusion of satan!

The jews who have changed their last name to a Russian one are in the power of the world and the church. Not to see this is also a demonic delusion! The organization "RUSSIAN FEDERATION" itself is a trading company registered in England and the USA. To deny the obvious, which they still cannot refute, is also a delusion of the enemy and the blindness of the pharisees, for they have united with the jews - the murderers of Christ God, and have taken upon themselves all their sins, and deafness to the truth of God, and blindness, thinking in pride that it sees, and hypocrisy. Just as the jews used to say that their God is the Heavenly Father, being the sons of the devil, so now believers say that they are faithful to God, being in an oath to the jews. What madness!

In 2022, in Astana, Kazakhstan, there was an open betrayal of Orthodoxy by all official "churches". The heretical document "on human brotherhood" was adopted, and on video, the rabbi openly stated that they all prayed there together. Shame! To think, as many do, that Elijah the Prophet and the Last Russian Tsar are two different people is a heresy that distorts God's Providence! For the fact that Elijah and the Tsar of Rus' are one and the same, that is, one person, is proven by the identical prophecies about both Elijah and the Tsar. Both service and death are one and the same. Our Lord has saved Elijah the Prophet for the last time, in order to reveal to you all the complete truth about the Holy Scriptures and the prophecies. The truth that He did not reveal through any Saint, but only partially, so that you too would recognize Elijah, zealous for His beloved God. But to realize that many do not love God is the worst thing!

Friends, you may not accept me, but I beg you: do not betray Jesus Christ! Be zealous for the truth, because you cannot betray God! Do you understand? You cannot reject the love of the Spirit! Woe to you! Save yourself, people, and forgive me, the sinner Zosima!
